Says: August 28th, 2015 at 4:28 pm Hello Rolamd, im sorry didnt test it on windows 10 yet, thank you very much • 12.

Roland Says: August 28th, 2015 at 11:35 am hi Max it is work with windows 10?.,thanks • 11.. Kon-Boot is an application which will silently bypass the authentication process of Windows based operating systems.

### [7 Ritz Cracker Challenge Load](#)

Kon-Boot 2in1 version works with both 64-bit and 32-bit Microsoft Windows operating systems and selected Mac OSX systems.. One Kon-Boot pendrive to rule them all! Kon-Boot 2in1 is basically Kon-Boot for Windows and Kon-Boot for Mac OSX connected together.. This Kon-Boot version works with both 64-bit and 32-bit Microsoft Windows operating systems and also include privilege escalation feature.. Please read the Kon-Boot for and Kon-Boot for to see all of the requirements NOTE: for some reason when you open the readme or the pdf for mac it says to open the dmg file for mac.
